

Outpatient Call Solutions

Outpatient Call Solutions is a medical call center working as a highly sophisticated and secure tool that seamlessly integrates with your systems remotely, to bring forth customized solutions for your healthcare organization.

**OCS IS RIGHT FOR YOUR PATIENTS
AND BETTER FOR YOUR BUSINESS!**

**2019
Business
Partner**

OCS MAIN BENEFITS

INCREASE YOUR PROFIT

OCS systems reduces your company's payroll by 50% to 60% from the time you implement our services.

PATIENT SATISFACTION

The patient satisfaction is guaranteed as they will have the medical follow-up needed without unnecessary complications.

LIABILITY REDUCTION

OCS reduces the number of employees in your company. Therefore your company risks and worker's compensation liabilities are also reduced.

DATABASE SECURITY

Our networks are private, we are 100% HIPAA compliant, and our facilities are guarded 24/7.
